*The EMRS Tuensang Parents' Day program is an annual event in honour of parents, held since the 3rd year of establishment of the school. 8th Parents' Day was celebrated on November 7, 2017. This is a platform where the students showcase their talents for the enjoyment of the parents. Special awards such as: Academic excellence, Best Athlete, Best inmate, Best helper, Best discipline, Most improved student Awards etc. are presented to deserving students on this day. This year, we invited the Chief Medical Officer of Tuensang, Dr. T. Pangjung as the Chief Guest, who delivered a stirring motivational speech and even gave first-aid items and cash gift too.*
