Government of India  
Ministry of Tribal Affairs  
(NGO Division)

Shastri Bhawan, New Delhi  
Dated: 09.10.2019

To

The Principal Secretary / Secretary,  
Tribal Welfare Department,  
State Government(s) / UT Administration(s)

**Subject: Submission of project applications of NGOs / VOs through on-line application tracking software under the scheme of "Grants-in-aid to Voluntary Organizations working for the Welfare of Scheduled Tribes" for the year 2019-20 – reg.**

Reference: Letter of even number dated 10.01.2019, 30.07.2019 & 04.10.2019

Sir / Madam,

As you are aware online portal "NGO Grants Online Application & Tracking System" ([www.ngograntsmota.gov.in](http://www.ngograntsmota.gov.in)) has been kept open till 15<sup>th</sup> October, 2019 for District / State Officials for processing online project applications for the year 2019-20. However, a large number of project applications are still pending with State Government at various levels (*State-wise, District-wise list enclosed*).

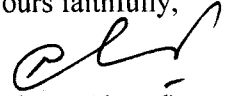

2. As per schematic guidelines, physical verification of the project has to be carried out at District level and electronic inspection report has to be filed based on the said verification. If found fit, project is to be recommended by District Collector (DC). Then District Authorities have to forward the recommended project applications along with recommendation of DC (*in pdf*) to State Secretariat. Thereafter, State Level Committee (SLC) considers the projects and recommends, if found fit, to the Ministry for release of grant-in-aid. Besides, those project applications found unfit, are also required to be rejected by the concerned authority on the online portal.

3. For proper and smooth implementation of the online process, it has to be ensured by the State Government that user IDs of Officer(s) at District and Secretariat level have been created and are active. In a number of Districts where applications are still pending, user IDs of District Officials have still not been created. As physical verification and recommendation of District authorities are prerequisite for consideration of projects, this will result denial of benefits to ST beneficiaries. Hence, user IDs at such Districts may also be created on priority.

Contd/-

4. In view of foregoing paragraphs, it is reiterated that project applications for 2019-20 pending at various levels with State Governments, may kindly be processed before expiry of timeline i.e. 15.10.2019 on priority.

Yours faithfully,

(Nadeem Ahmad)
